dance

Creative Movement: ages 3-4

For our tiniest dancers, we use imaginative play and musical activities to build strength, flexibility and body awareness, as well as gross motor skills, coordination and posture. A blend of basic dance movements and the use of props and stories make this a fun and rewarding experience.

Pre-ballet: ages 4-5

Beginning ballet skills and terminology are taught with an emphasis on coordination and musicality. Props and dramatic play help to bring out each dancer's creative expression.

Pre-ballet/Tap: ages 4-5

Beginning tap and ballet skills and terminology are taught with an emphasis on coordination and musicality. Props and dramatic play help to bring out each dancer's creative expression.

Toddler Tadpoles: ages 2-3

A class for children who have passed Water Babies. Children are aided by a teaching platform enabling them to stand and swim without assistance. Parents are permitted to observe from the deck.
